EXPERIENCE

Chief of the Population and Statistics Department. Comité de Planeación para el Desarrollo del Estado de Baja California(COPLADE), July 2026 - Present

- Prepared institutional reports featuring statistical analysis on key policy areas, including economic production, education, employment, and public safety, to support executive-level decision-making.
- Coordinated with federal and state government agencies to manage, analyze, and disseminate statistical and demographic information for the State of Baja California.
- Led a multidisciplinary team in the development of statistical products, including technical reports, statistical analyses, infographics, and data briefs for public dissemination and evidence-based decision-making.
- Managed initiatives to promote demographic literacy and the dissemination of demographic information through various communication channels.
- Coordinated the presentation of statistical projects and programs at citizen engagement forums, as well as academic and informational forums focused on discussion and knowledge exchange.
- Planned and managed new statistical analysis projects and initiatives within the department.

Population and Statistics Department Coordinator. Comité de Planeación para el Desarrollo del Estado de Baja California (COPLADE), June 2025 - July 2026

- Developed the State Monitoring System for the Sustainable Development Goals (SDGs), integrating 100+ strategic indicators using ArcGIS Online, R (analytical back-end), and Excel databases.
- Produced 60+ technical briefs, analytical reports, and executive summaries to support data-driven decision-making.
- Implemented ETL processes to integrate, transform, and analyze 40+ datasets from national surveys from INEGI, CONAPO, etc. and administrative records, reducing data processing times by 30-40%.

Lead Data Analyst – Statewide. Instituto Nacional de Estadística y Geografía (INEGI), Feb 2024 - Dic 2024

- Analyzed data from 16,000+ Baja California homes using the Intercensal Survey, creating visualizations to identify key demographic and housing trends.
- Trained and mentored Zone Information Analysis to effectively identify and resolve operational inconsistencies, improving data accuracy and efficiency.
- Prepared daily contingency reports and ensured data matching with the directory; managed daily logistics and materials tracking reports.

Business Development Executive. Grupo Financiero Banorte, July 2023 - Feb 2024

- Conducted credit studies by applying financial analysis techniques (ratio and trend analysis) to internal and market data to accurately assess and mitigate credit risk.
- Extracted information from financial statements.
- Maintained credit files updated, complete, and orderly in adherence to institutional standards.
- Updated tracking reports and ensured the operation of credit with the involved areas.
- Collaborated with the Executive to prospect target markets that enabled the growth of the client portfolio.

Accounting Assistant. Xochicalco Universidad, June 2022 - Nov 2022

- Supported the development of the annual budget.
- Performed payroll calculations, settlements, severances, Christmas bonuses, and profit-sharing calculations.
- Conducted bank reconciliations.

Bachelor of Economics. Universidad Autónoma de Baja California, 2018 - 2022

Big Data Technician. Instituto Tecnológico de Teléfonos de México, 2022 - 2023

LANGUAGES

- Native Spanish speaker and intermediate English proficiency (B2)

TECHNICAL SKILLS

- Data Analysis & Programming Software:** Stata, R Studio, SPSS, Python (pandas, NumPy, Plotly), MySQL, Power BI, ArcGIS, QGIS.
- Productivity & Design Software:** Excel, Google Sheets, CONTPAQI, Microsoft Dynamics GP, FIGMA, Canva.
- Web Development Software:** HTML, CSS, JavaScript, R, Python, PHP, Wordpress, ArcGIS Online.

SOFT SKILLS

- Team work
- Adaptability
- Time management
- Attention to detail
- Analytical thinking
- Corporate sales
- Ability to work under pressure
- Problem-solving
- Leadership

CERTIFICATIONS

- Data Analyst.** Instituto Tecnológico de Teléfonos de México, 2023.
- Responsive Web Design (using HTML and CSS).** FreeCodeCamp, 2023.
- Statistical Programming with R.** Instituto Nacional de Estadística y Geografía, 2024.
- Microsoft Excel: Fundamentals and Tools..** Instituto Nacional de Estadística y Geografía, 2024.
- Power BI.** Santander Open Academy, 2024.
- Administrador de bases de datos.** Instituto Tecnológico de Teléfonos de México, 2023.

INDUSTRY-SPECIFIC SKILLS

- Financial Analysis
- Data Analysis
- Big Data
- Investment Project Management
- Programming
- Electronic Invoicing
- Statistical Analysis
- Pivot tables
- Business intelligence
- Dashboard creation
